Hypnosis Certification

December 1-8, 2017 • 9:00 am-5:00 pm

The course is taught at The Creative Center • 900 16th Street • Greensboro, NC 27405 • 336-617-3328

Course Content

This well established course will train you in techniques that induce deeper states of consciousness and show you how to use them safely and ethically to help yourself and others. This intensive training is designed to move you from study to application. Rated at 100 hours (approximately 60 hours in class and 40 hours of outside study), it teaches beginning, intermediate, and advanced skills. Both the entry-level student and the seasoned professional will benefit from its unique, effective, professional, and personal change methods. Training includes lectures, demonstrations, group and individual experiential exercises, video and independent study. It is appropriate for anyone in the healing professions including counselors, therapists, RNs, MDs, LPCs, psychologists and psychiatrists.

DURING THESE 8 DAYS, YOU WILL...

Learn the hypnotherapy induction process from a holistic foundation and apply it safely to other participants

Explore self-hypnosis as a tool for memory/comprehension enhancement and sports/fitness attainment as two of many self-help tools

Discover ways you can use hypnosis for yourself and others to address such common psychosomatic problems as weight control, smoking and other addictions, stress, pain management, and improving self-image

Experience the value of hypnosis for past-life therapy as you learn introductory regression skills

Examine the importance of setting ideals and other concepts
